If in any case a scholarship has been awarded to a student attending only morning classes and not entered as a regular student such a scholarship must be treated as conditional and not awarded until the student has been enrolled as regular day student. Scholarships which are for any reason not utilized should be reported to this office immediately.

2. The scholarships are tenable only in the institutions where the students are studying and shall be drawn on scholarship bill forms by the Head Master or Principal and disbursed to the students after obtaining their acknowledgments in the salary acquittance roll of the school.

3. In the case of Aided Schools, the bills should be countersigned by the Inspector-General of Education before they are presented at the Treasury for payment.

5. If it is proved that any student who has been awarded a scholarship under this scheme is in receipt of a benefaction from a public charity, the scholarship should be withheld and a report sent to this office.

FINANCIAL DEPARTMENT.

To—The Deputy Commissioners, Treasury Officers, Drawers of bills, and Disbursers of Salaries.

In inviting the attention of all concerned to Rule (7) of the Rules issued under the Mysore Income-Tax Regulation of 1920 with Government Notification No. R. 13899—R., dated 19th July 1920, the undersigned has the honor to request that the following procedure may be adopted :—

In the case of an Officer of Government claiming exemption in respect of any amount paid by him to an Insurance Company or Provident Fund (not managed by Government) he should either :—

(1) attach to his salary bill the original receipt granted by the Company or the Provident Fund together with a copy thereof for the amount paid by him ; or,

(2) a duplicate receipt given by the Insurance Company or Provident Fund, or

(3) a certificate of payment given by the Insurance Company or Provident Fund.

In the case of (1) the officer paying the salary, pension or annuity will compare the original receipt with the copy and return the original and attach the copy to the bill, after duly attesting it with his initials. Both the receipts, original and the copy, will be endorsed as under :—

Admitted Rs..... .....for abatement of Income-Tax in the Salary Bill for..... 19..... Signature and designation of the paying officer.

In the case of (2) and (3) the receipt or certificate which should accompany the bill in respect of deductions made therein, will be returned by this office as soon as the fact of payment is admitted in due course of audit.

When the Collector of Income-Tax is satisfied that none of the above prescribed documents can be produced without an amount of delay, expense or inconvenience which under the circumstances of the case would be unreasonable, he may accept such other proof of payment of the premium as he may deem sufficient.

No delay should occur in receiving and adjudicating claims to such remissions so that the payment of bills may not be postponed on that account.

T. SATYARAJ CHETTY,
